

GET IN, PLAY SAFE, GET OUT

Welcome back to NetballStars. All England netball have removed all of the game modifications so we are looking forward to an amazing Autumn. We will do all possible to ensure Stars have fun and enjoy netball.

At NetballStars we have terms and conditions so please refresh yourself or speak to a coach if you have any concerns.

We will continue to adhere to hygiene and safety measures to mitigate risk during this uncertain time.

Get In - Arrive at Netball ready to play, sanitize hands.

Play Safe - Look out for each other on the netball court. No jewellery, short nails and tied back hair. Netball Ready.

Get Out - Coaches/Players clear the court area straight away.
